

## Tool List-Carpenters

### Classroom Tool Check Policy

1. Required tools must be brought to each class attended.
2. "Required Tools" consist of:
  - a. Tools required at entry into the program
  - b. Tools required for current class week
  - c. **Tools required for all previous weeks. Whether the student has attended the previous class/classes or not.**

**A tool check will be held on the first day of class. Failure to complete the tool check may result in a fail grade**✓✓
